

# Raleigh Infant Academy and Admirals Academy

## Our Values

**Aspiration** - I can **aspire** to achieve my best in everything I do and **transform** myself as a learner.

**Trust** - I can be honest and tell the truth to ensure everyone is happy.

**Kindness** - I always consider the needs of everyone in my community, and strive to include all. I can share and take turns.

**Forgiveness** - I am ready to start afresh and look forwards. I am allowed to make mistakes, say sorry and move on.

**Respect** - I can wait my turn. I listen to others and their opinions. I choose my words carefully. I look after my belongings and those of others. I respect those in my community.

**Resilience** - I am **motivated** to keep going when things are tough and **empower** myself as an independent learner.

**Safety** - I can keep myself and others safe by following instructions from adults in school and by playing safely in the playground and in the community.
