## Violin Lessons for Autumn Term 2021

Dear Parents/Carers,

Pupils at Admirals Academy have the opportunity to have violin lessons during academy time. These are given by Mrs Levy who works as a peripatetic music tutor for the Norfolk Music Service. Fees for violin lessons are £40.00 for the Autumn term (10 weeks of lessons). Violins are available to loan from the Music Service at no charge, if required.

Violin lessons will begin on Tuesday 28<sup>th</sup> September 2021.

If you would like your child to take up this opportunity please send the reply slip and payment for violin lessons (and violin hire if required) in a named, sealed envelope marked 'violin lessons'. This envelope should be sent in with your child, by return please.

Cheques should be made payable to Admirals Academy. Thank you.

Please ensure that your child remembers to bring their Violin with them each Tuesday for their lesson.

Yours faithfully,

Mrs Kouni  
Executive Principal
