Empower - Motivate - Aspire - Transform

Dear Families,

Welcome back to the final half-term of the year at Admirals Academy. We hope you had an enjoyable holiday and managed to take part in some of the platinum jubilee celebrations. We have an exciting half-term ahead of us, full of learning and exciting enrichment activities.

Our new history topic for this half-term is Holmes and Kable. It is part of the Thetford Heritage Project and is an exciting opportunity for the children to learn about an important aspect of their local history.

We will be consolidating the children's knowledge of maths by using themed project-based activities, for example, running our own bakery. Our reading and writing work will be centred around our work on Harry Potter and will allow the children to showcase their very best writing ahead of the end of year assessment.

Within the broader curriculum, the children will be preparing for high school and learning about how to keep their bodies healthy through science, PSHE, PE and the RSE.

Mr C Harris, Mrs E Bishop & Mrs A McArdle - **The Y6 team**
