Summer 2

Eastern Multi-Academy Trust
Empower - Motivate - Aspire - Transform

Dear Families,

Welcome back to the start of the summer term. We hope you had an enjoyable half-term holiday. We have an exciting half-term ahead of us, which is full of learning. Our new topic for this half-term is 'All about rivers' It is a geography-based unit of work that has strong links to our capital city and design and technology work.

Our work in maths will be focused on shape, position and direction and measurement. This will help prepare the children for their progression up to Year 6 in September.

All of the children have been working incredibly hard and we are proud of their commitment and learning attitudes. Our work in writing is based on the book '*The London eye mystery*' by **Siobhan Dowd**, where we will be creating adventure narratives and discussion texts.

Within the wider curriculum, the children will be learning about Great British scientists and exploring other cultures through languages and music.
